We will provide #2 home heating oil to the Congregational Church of Sharon and all its residential members that are within our service area for the price of \$.27 per gallon over rack with a cap price not to exceed \$2.09/gallon* for the 2016/2017 heating season.

If you are an existing Taylor Oil customer, please contact our office so that your account is updated with the appropriate discounts**.

If you are not currently a Taylor Oil customer, but would like to become one, please fill out the attached information sheet and return it. Pending credit approval, someone from our office will contact you upon receipt of the application to arrange an appointment for a manager to meet at your home and evaluate your heating system and tank information for your new account so that we may better serve your needs.

Remember that Taylor Oil also provides installation and service for all of your plumbing, air conditioning, wells and water, and water treatment needs. We also provide propane gas deliveries and service through Taylor Propane, a division of Taylor Oil.

Sincerely,

Ron Brant

Service Manager

*Price is for #2 home heating oil for residential use only and does not include any applicable taxes
